Bibles and Christian books, computers, printers, copiers, medical supplies, musical instruments, office, and school equipment, used clothing, shoes and blankets are some of the things we can provide. Spanish materials, children's vitamins, multimedia projectors and clothing are always available.

We especially delight in helping prepare those going on mission trips.

Our goal is to help your ministry find what you need as fast as we can at the lowest cost possible. Some items provided by ETS are obsolete in the US, but still useful in other countries. Many items come from government auctions. Other items are purchased at special discounts. Vehicles, medical and dental equipment, computers, office, and school equipment are sometimes donated. Once, an entire print shop was given!

How can we serve you?

Why send used things to Missionaries?

Here are six reasons why “used can be better than “new”.

1. Good quality used equipment is usually available at a fraction of the cost of new items.
2. Used items usually clear Customs with no or greatly reduced fees.
3. National co-workers can be equipped with the same ministry tools as missionaries without creating dependency or the perils of paternalism.
4. Missionaries spend less time raising funds and more time in ministry.
5. Parts and repairs for older computer, printers, projectors, etc. are more readily available in developing countries than for “the latest and greatest” gadgets.
6. Used equipment shipments can provide employment opportunities for national believers.

Equipping the Saints is pleased to offer exceptionally low prices on the following types of items:

- Spanish Bibles, books, DVDs, CDs, etc. We carry about 1,700 different items in Spanish. We also carry a good selection of items in English and other languages.
- Children’s vitamins are a regular stock item. From time to time, we make special purchases of other vitamins and over the counter medical supplies.
- Multimedia projectors including the battery powered pocket projectors.
- Desktop and laptop computers, both new and used.
- Printers and photocopiers. We can also provide training to maintain your equipment, as well as special pricing on parts and supplies.
- School equipment from the cafeteria to the classroom...we’ve got it!
- Top quality used clothing, shoes, blankets, and linens are regularly available as a donation.
- Many, many other things are available...far too many to list here!

Send us your wish list. If we cannot provide it, we will do our best to refer you to someone who can.

We welcome donations of:

- Clothing, shoes, blankets, and linens in good condition
- Pentium 4 computers
- Printers and photocopiers
- Bibles, hymn books and Christian books
- Musical instruments with the exceptions of pianos and organs
- Medical equipment, supplies and over the counter meds
- Sports equipment
