

THE TABERNACLE LEARNING CENTER of DANVILLE, INC.

Mission

TLC's mission is to encourage development in all areas of a child's life – mental, spiritual, physical, emotional, and social. We believe God has a special plan for your child's life.

Our goal is to demonstrate God's love, that they will know how special they are to God and grow to know Him. It is our mission to instill in the students of TLC a love of learning and a respect for the educational experience through an enjoyable, Christ centered curriculum plan. We desire to form a partnership with the home and families of our students to educate and guide them in the development of a Biblical Character and a Biblical Lifestyle based upon Biblical Authority. The inerrant Word of God is the basis for determining the qualities and characteristics that exemplify the Christ-like life.

Each day Bible stories and verses are taught to help hide God's Word in their heart. We encourage the children to be thankful for the things they have. We also help them strive to learn and increase their ability to make choices between right and wrong. Each day we start out with prayer to teach the children how important it is to keep God in our day and our heart. As Christian teachers we realize the responsibility we have in the growth and lives of the little ones placed in our care. Our life must show what we teach in and out of school.

Admission Policy

Our purpose is to provide a Christ-centered environment that will encourage every child to grow in the Lord. For the school to accomplish its purpose to provide a Christ-centered environment, ***it is essential that each student and at least one parent regularly attend church services that are comparable to our Statement of Faith.*** We want to be a strength and encouragement to each child's family and help them to grow to maturity in Christ.

Once we receive your child's Application for Admission, along with the registration fee, a temporary spot will be held for your child and if necessary, an interview will be set up by the teacher. Upon review by the TLC Board, applicants will then be notified of their admission status. Submitting an application and payment of the registration fee does not guarantee acceptance. All applications are subject to approval by the TLC Board. If your child is not accepted, your registration fee will be refunded.
